Thank you so much for downloading a Twin Sisters Speech & Language Therapy document!

We hope that you enjoy this free summer themed document for working on pronouns. Hopefully, you and your students will find it useful and fun. We think speech and language therapy should be both of those things!

Sincerely,
Manda & Shanda, SLP’s

Page 4: **Worksheet:** Circle the SHE’S and underline the HE’s.

Page 5: **Worksheet:** Circle HIM or HER to describe the picture.

Page 6: **Worksheet:** Write in the correct gender pronoun to start the sentence. Use the choices of SHE or HE.

Pages 7-10: **Story Activity:** Cut out the ocean pictures. Child listens to the scuba diving story and guesses which pronoun should be used to fill in the blanks using the choices of SHE, HE or THEY. The child also listens and then identifies the ocean items mentioned in the story. They are encouraged to find the item and to glue it onto the correct sorting mat. One mat is Ella, a girl who is scuba diving in the ocean, and the other mat is of her brother Landon, who is a scuba diving boy.

**Additional speech & language activities:** Have the child label each ocean item before and after the reading of the story. Have the child repeat a sentence using each item and pronoun to describe the picture. Sentence example: “He scuba dived by the blue shell.”

Page 11: **Worksheet:** Write the correct pronoun on the line (she, he, hers, or his).

______ likes to build sand castles.

______ enjoys snorkeling in the ocean.

______ likes to play at the beach.

______ is swimming under the water.

______ likes to swim in the lake.
Cut out each ocean item and follow the story to find out what ocean scuba diving mat they should be glued on to. A girl and a boy scuba diving sorting mat can be found on the proceeding packet pages.

Answers: She saw a blue and yellow fish, a pink shell, a dolphin, a sea turtle, and a crab. He saw a shark, a blue shell, a yellow and purple fish, seaweed, and an octopus.
Ella went scuba diving with her brother Landon. Landon once told her that he loves to go scuba diving because (she/he/they) both get to see a lot of ocean animals when they do.

Landon’s favorite ocean animal is the shark! Can you put the shark on his ocean scuba diving mat?

Ella loves to scuba dive in the ocean because (she/he/they) can see two of her favorite things; blue and yellow fish and pink shells! Please put the blue and yellow fish and pink shell on Ella’s scuba diving mat.

Additional instructions: Now listen carefully because soon the story will mention more ocean items and they will need to be found from the pile in front of you and then glued onto the correct ocean scuba diving girl or boy mat.

Ella’s really enjoys seeing the dolphins. (He/She/They) thinks that dolphins are cool because they can jump high and out of the water and because they make cute noises when they talk to each other.

When Landon is under water (he/she/they) likes to look for the blue shells and yellow and purple fish. (He/She/They) often finds the blue shells and yellow and purple fish at the bottom of the ocean and among the green seaweed and purple octopuses.

Landon’s longest dive was just last week. (She/He/They) went all over the ocean bottom for almost 30 minutes! He is really getting good at scuba diving!

Guess what? Earlier in the day Ella saw a sea turtle! Yep, it’s true. The sea turtle was very exciting for (her/him) to see! The sea turtle just happened to be near a red crab that was starting to walk out of the water and onto the shore. Ella watched both of those amazing ocean animals move slowly in the sand until they stopped to rest by two different rocks near the shoreline.

Scuba diving is so much fun. Landon and Ella can’t wait until (she/he/they) can go back and do it again on another super fun summer day!
Snorkeling is a favorite past time of __________.  
___________ is going to be safe in the water.  
Making sand castles is a favorite activity of __________.  
Playing at the beach is a favorite past time of __________.  
___________ enjoys swimming under water.  

Favorite season is summer.
