Southern Local LPDC

2021-2022

What is an IPDP?

An IPDP (Individual Professional Development Plan) is a plan for professional development. This plan should include your goals for the duration of your license. Suggested class or workshop topics should be included that will help meet these goals.

Purpose of an IPDP

Your IPDP must reflect the goals of the district and building in addition to your individual goals.

You must develop a plan and earn at least 6 semester hours, 9 quarter hours, 18 CEU's or a combination thereof.

What items are submitted with an IPDP?

A copy of your license for which the plan is written.

Educator's Responsibilities

- Develop his/her IPDP
- Submit the IPDP to the LPDC for approval prior to the completion of the plan's activities.
- Submit Course or Equivalent Activity Proposal prior to completion of the activity.
- Submit documentation of completion of the submitted activity.
